Both the fans and the Christian leaders reacted. March 2017 But her new hairstyle has been fleeting since April she unveiled a newer look, a fresh buzz cut that left little to no hair on her head. Sorry Mom, I couldn't help - yolo. Thank you, @badisonv have now given me the longest and shortest decoration ever. Smith wrote on Instagram. Her timeline suddenly flooded the comments both in opposition and in favor of her hairstyle. Many wrote: Women should not shave their heads, many wrote, quoting verses 11, verses 11 and 6. The scriptures state: Every woman who prays or has a prophet with her head uncovered a head of dishonor is the same as her head shaved. Because if a woman does not cover her head, she may also have her hair cut off; but if it's a shame that a woman needs to have her hair cut off or her head shaved, then she should cover her head. Others argued that the scriptures did not apply and defended Taya Smith. Your hair in no way shape or shape defines you. What defines you is your heart for Jesus and mankind, wrote one user. Smith went on to explain: It wasn't spiritual, Taya said. I can't lie: some bleaching and you you take care of it in the best way it can hurt. And I thought maybe I could just cut my hair. I joked with friends that I was just going to shave it... then I started thinking: What if? Her bandmates were the first people she asked before getting a shave. I put it on our bassist and she checked the shape of my head and she saidyep, and then I asked the guys, What do you reckon? Because they're style gurus, she joked. They were like, when you do it, that's it, it's not going to grow back right away. But I did it. Despite the real motivation for her haircuts, Taya said she became very liberating of the experience, despite negative reviews from some Christians. It wasn't meant to be spiritual, but then it kind of was this liberation thing where, I was like, well the hair grows back, people have opinions, but life is too short to even care about that. It kind of gave me the freedom to think, Well, I am who I am against God, and that's all that matters. So let's do it. It was really fun. It wasn't spiritual, but then it became that.
