Beach cafe games online free

Start playing games online for free Coffee and build your own business. Will allow a smooth start to get up and running, understand the basic principles and how you can earn. Do and effective tips, guides in the right direction. Soon the arrow pop-up will disappear and you find yourself alone with a row of shoppers who are ready to eat. Give one drink to another cupcake, some want juice or coffee. There is still time to clear the table and sweep the floor to get money for the order and make a new one. Sometimes one will have to be managed, and in other toys there will be aides. In the game of the beach restaurant, you have a very popular restaurant on the famous beach! One client goes and the other comes! You should be really fast when making burgers. Will you be able to manage all orders, or will customers go out? Good luck! You are a very cool burger chef, but still, you need to quickly please your customers! You pulled all the vacationers into your restaurant As long as you maintain the quality level, they'll keep on coming to your restaurant. To start your first career level, click the play button in the main menu. Above the screen, you can see the timer, the money you earned, and the number of stars. Below the screen, there are ingredients that you will use while making burgers such as bread, meat, salads, ketchup, tomatoes, cheese, and so on. Each customer has his/her order card overhead. You can follow orders from there. Your goal in this game is to prepare as many orders as you can at a certain time. If you can't prepare an order in time, the customer leaves your restaurant angrily. Their request is very simple actually, all you need is fast! Will you be able to show off your hamburger craftsmanship or your customers escape? Good luck! Do you trust your skills in food games? If so, take a variety of problems in our collection of free and online food games. Developer:games developed beach restaurant.Release Date:December 12, 2018Features:24 career levels pass3D colorful graphicsCooking gameTime limitationControls:You can use your mouse to play this game. Serve customers well and earn maximum score. Don't make customers wait too long, or they go, which makes you lose a life. Click with the mouse to place an order, clean the table, place an order, get food, and get rid of waste. You can click on the back door to call the employee to clean the dishes, refill coffee cups, refill drinks and empty the recycle bin. The order can only be placed after cleaning the table. Page 23D games focus on three-dimensional graphics and gameplay. This makes them the most complex in terms of depth and graphic power. They can cover almost any genre, especially racing and first-person shooters. Of all the online games, 3D games come closest to big names usually located on Playstation, Xbox or PC. As you can see, our 3D games cover a wide range of – you can play literally literally you can imagine! If you like smooth graphics and realistic gameplay, our 3D games are sure to please. The following titles below are three of our most popular 3D games and cover three completely different genres: If racing is your forte, you'll love Madalin Stunt Cars 2 – this 3D racing game allows you to drive a range of beautiful super cars using a large and detailed cityscape. The graphics are awesome, driving is real and you can perform some epic tricks. Don't like racing? Why not try the Slope site? This challenging puzzle game allows you to control the 3D ball through the neon maze - you have to keep the ball rolling and avoid various obstacles. If neither of these two games is tickling your fancy, you could always unleash some destruction in Advanced Pixel Apocalypse 3! This 3D first person shooter is a fantastic multiplayer game with a large range of weapons and levels to fight for. Why not look at our other 3D games and immerse ourselves in many real environments and digitally created worlds? We collected 1397 of the best free online 3D games. These games include browser games for both desktop and mobile devices, as well as apps for your Android and iOS phones and tablets. These include new 3D games like Hidden Investigation: What's This? and top 3D games like Bullet Force, Shell Shockers, and Madalin Stunt Cars 2.Page 3 Join Cosmo and his robot Barista as they brew up, bake and serve hungry space travelers in delicious intergalactic donuts, edicts and coffee.
